	25PPI10	Filtro unita' condensatrice in poliuretano reticolato sp.20mm colore nero	Condensing unit filter in reticulated polyurethane thickness 20mm black colour	Filtre groupe de condensation en polyuréthane réticulé épaisseur 20mm couleur noire
	15V/280130	Vaschetta evapora condensa per motore interno (serie basamenti refrigerati)	Condensate evaporation pan for internal motor (refrigerated basement series)	Bac d'évaporation des condensats pour moteur interne (série sous-sol réfrigéré)
	22VT71020008	Ventilatore dim.120x120x38h per aeroevaporatore completo di cavo	Fan dim.120x120x38h for air evaporator complete with cable	Ventilateur dim.120x120x38h pour évaporateur d'air complet avec câble
	CIR04	Ripiano in acciaio inox per modulo cella refrigerato	Stainless steel shelf for refrigerated cell module	Étagère en acier inoxydable pour module de cellules réfrigérées
	SBRAS0001	Sportello coibentato Sinistro finitura inox lucido	Insulated door left with polished stainless steel finish	Porte isolée Sx avec finition en acier inoxydable poli

SPARE PARTS COUNTERS

	SBRAS0002	Sportello coibentato Destro finitura inox lucido	Insulated door right in polished stainless steel finish	Porte isolée Dx en finition acier inoxydable poli
	SBRAS0003	Toppa cassetto finitura inox lucido	Polished stainless steel finish drawer patch	Tiroir en finition acier inoxydable poli
	SBRAS0004	Sportello Sinistro in vetro serigrafato a doppia camera	Left hatch in double-chamber screen-printed glass	Trappe Sx en verre sérigraphié à double chambre
	SBRAS0005	Sportello Destro in vetro serigrafato a doppia camera	Right hatch in double-chamber silk-screen printed glass	Trappe Dx en verre sérigraphié à double chambre
	SBRAS0006	Toppa cassetto in vetro serigrafato a doppia camera	Drawer patch in double-chamber silk-screen printed glass	Patch tiroir en verre sérigraphié à double chambre
	SBRAS0007	Guarnizione per sportello refrigerato	Gasket for refrigerated door	Joint d'étanchéité pour porte réfrigérée
	SBRAS0008	Guarnizione cassetto refrigerato	Gasket for refrigerated drawer	Joint d'étanchéité pour tiroir réfrigéré
	SBRAS0009	Kit raccordi scarico condensa esterno	External condensate drainage fitting kit	Kit de raccord pour l'évacuation externe des condensats
	SBRAS0010	Kit raccordi scarico condensa interno	Internal condensate drain connection kit	Kit de connexion pour l'évacuation interne des condensats
	SBRAS0011	Battifiltro per tramoggia fondi	Filter beater for bottom hopper	Batteur de filtre pour la trémie inférieure

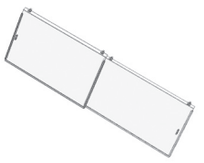

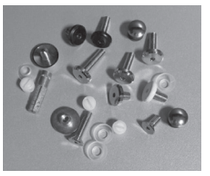

SPARE PARTS COUNTERS

	SBRAS0012	Kit divisori bottiglie ad aggancio rapido per un cassetto	Quick-release bottle divider kit for one drawer	Kit de séparation rapide des bouteilles pour un tiroir
	SBREL0001	Strip Led per basamenti refrigerati	Strip led Counters series	Série Led Compteurs
	SBREL0002	Quadro elettrico per basamenti refrigerati	Electrical Board Counters series	Tableau électrique série Compteurs
	SBREL0003	Centralina elettronica per basamenti refrigerati	Electronic control unit Counters	Unité de contrôle électronique Compteurs

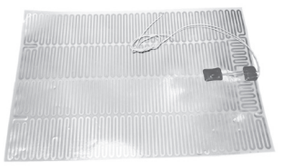

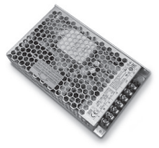

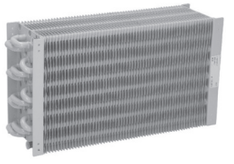

SPARE PARTS
POZZETTI

	SPZEL0001	Centralina Elettronica	Electronic control unit	Unité de contrôle électronique
	SPZEL0002	Pompa per ricircolo glicole	Glycol recirculation pump	Pompe de recirculation du glycol
	SPZEL0003	Ventilatore per pozzetti refrigerati ventilati	Fan for ventilated refrigerated pozzetti	Ventilateur pour puisards réfrigérés ventilés

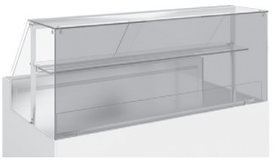

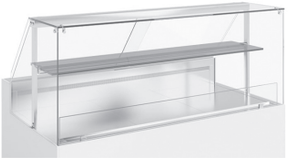

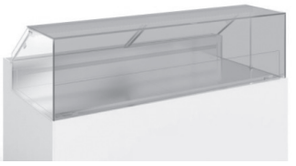

SPARE PARTS
6040

	S64AS0001	Kit scorrevoli Destro e Sinistro in PETG	Right and left-sliding doors kits in PETG	Kits coulissants à droite et à gauche en PETG
	S64AS0002	Guarnizioni di giunzione piano/vetro colore bianco, nero, grigio	White, black, grey top/glass joint gaskets	Joints d'étanchéité blanc, noir, gris pour le dessus et le verre
	S64AS0003	Kit viti/ferramenta per alzata vetri	Screws/fittings kit for glazing units	Kit de vis/raccords pour les unités de vitrage
	S64AS0004	Tendina autoavvolgente da 900 a 2100 mm	Self-retracting curtain from 900 to 2100 mm	Rideau auto-rétractable de 900 à 2100 mm
	S64AS0005	Skin fianco Destro	Skin right side	Peau côté droit
	S64AS0006	Skin fianco Sinistro	Skin left side	Peau côté gauche
	S64AS0007	Skin pannello frontale	Skin front panel	Panneau frontal en peau
	S64EL0001	Centralina Elettronica	Electronic control unit	Unité de contrôle électron-ique
	S64EL0002	Strip led no spot	Strip led no spot	Bande led sans spot
	S64EL0003	Motore ventilatore per im-pianto refrigerato ventilato	Fan motor for ventilated refrigerated system	Moteur de ventilateur pour système réfrigéré ventilé

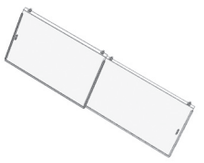

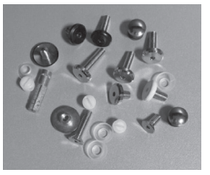

SPARE PARTS
6040

	S64EL0004	Resistenza per piastra calda a secco	Heating element for dry hot plate	Elément chauffant pour plaque chauffante sèche
	S64EL0005	Resistenza per regolazione umidità/sbrinamento	Heating element for humidity control/defrosting	Elément chauffant pour le contrôle de l'humidité/le dégivrage
	S64EL0006	Alimentatore led	Led power supply	Bloc d'alimentation Led
	S64EL0007	Alimentatore vetri caldi	Hot glass power supply	Alimentateur de verre chaud
	S64EL0008	Kit pistoni a gas Destro e Sinistro per gruppo evaporatore alzabile	Right and left gas piston kit for lifting evaporator unit	Kit de piston à gaz droit et gauche pour le levage de l'unité d'évaporation
	S64EL0009	Vaschetta evapora condensa	Condensate evaporation pan	Plateau d'évaporation des condensats
	S64TE0001	Evaporatore da 900 a 2100 mm	Evaporator from 900 to 2100 mm	Evaporateur de 900 à 2100 mm
	S64TE0002	Valvola di espansione termostatica	Thermostatic expansion valve	Soupape d'expansion thermostatique
	S64VE0001	Fianco in vetro Sinistro	Left side glass	Panneau latéral en verre Sx
	S64VE0002	Fianco in vetro Destro	Right side glass	Côté verre Dx

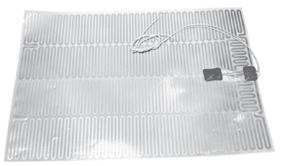

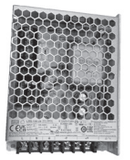

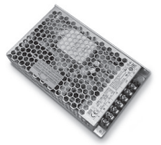

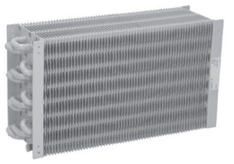

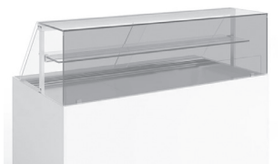

SPARE PARTS
6040

	S64VE0003	Vetro frontale	Front glass	Verre frontal
	S64VE0004	Cappellotto in vetro	Top glass	Couvercle en verre
	S64VE0005	Mensola in vetro	Glass shelf	Étagère en verre
	S64VE0006	Teca saldata in vetro frontale/cappello	UV bonded glass front/top	Façade/écran en verre soudé
